

# DEFSTRAT SEMINARS IN PARTNERSHIP WITH CENJOWS PRESENTS **ARMOURED VEHICLES**

**14-15 NOVEMBER 2018 - DRDO AUDITORIUM, DELHI**

## OVERVIEW

Defstrat Seminars, in partnership with CENJOWS will conduct the 9<sup>th</sup> edition of its flagship seminar 'Armoured Vehicles India', at New Delhi in November 2018. This will help provide a unique insight into India's Mechanised Forces' acquisition plans, threat perception and their endeavours towards indigenisation & self reliance in this domain.

The seminar enjoys active support and participation of the Directorate of Mechanised Forces, DRDO and the Industry.

As always, it will feature speakers and delegates from across the globe, thus providing an in-depth analysis of the role & requirements of Armoured Vehicles in the prevailing scenario.

Acquisition programmes and new projects being launched by Indian Mechanised Forces will be discussed to obtain a clear view of the road ahead. Key decision makers from the defence services, leaders of industry, senior scientists of DRDO and representatives of Mechanised Forces from across the world will be present. Join us in the flagship event of DEFSTRAT Seminars in 14-15 November 2018 held at DRDO Auditorium in Delhi.
